4CRP Mission Statement

- To always emphasize safety first
- To provide and maintain range facilities for shooting members of the Club and their guests

- To provide facilities, certified firearm education, and charitable contributions to Club members, the local community, youth organizations, and law enforcement.

President's Message

What is the meaning of hitting the Bulls Eye?

The center of the target may have come to be called the bull's eye from the practice of English archers who, both to develop and to exhibit their skills, would attempt to shoot an arrow through the eye socket of a bull's skull. (Wikipedia)

Sounds morbid doesn't it! Well what's the point? Well this is the point! A great deal of basic hand gun or rifle skills focuses solely on bullseyes, ignoring the fact that shooters must go beyond just shooting at stationary targets.

Strangely a novice shooter who has been taught basic marksmanship on a range may just stand in front of a target and learn by doing. I, for one, was taught by thinking and doing which improved my bullseye shots. So what does this prove? Well, we of the Four Corners Rifle and Pistol club, have an instructor who can help you become a more competent and confident shooter.

We teach grip and recoil control (which is more than half of everyone's marksmanship problems), sight picture, proper breathing, trigger control and shooting positions. "Practice doesn't make you perfect, but it does make you better."

If there is ever a question you can call me at 970-560-8343. Mike Upchurch.

- ◇ NRA provides affordable insurance for our Club including coverage for special events

remember to renew early!!!***

Kill two birds with one stone!! Club Secretary Jenn Reynolds will be at the February Monthly meeting at 5:30 to allow people to renew memberships early. She will also be giving the Safety orientation at that time as well, so if you have not been able to make it to one of the safety orientations at the Outdoor Range, this is the perfect time to do so.

You can also take the opportunity to vote on the 2022 Executive board!! If you can only make it to one meeting a year, make it to the February meeting and have your voice heard!

ELECTRONIC GATE FAQ

The new electronic gate has gone live and aside from working out small kinks in the system, is working as intended. In an attempt to get ahead of any confusion or possible issues caused by user error we offer the following simple step-by-step guide for operation of the electronic gate and proper use of your access cards. Please, remember that this system has been put in place to make the outdoor range a safer place for the members, and not with any intention of making things difficult for anyone.

Entering the Range: Upon arrival at the outdoor range, stop and scan your card at the reader even if the gate is currently locked in the open position. Make certain that when you scan the card you get a green light, and the readout indicates “Access Granted”.

Exiting the Range: Scan your card at the exit reader, wait for the gate to open, then drive out. DO NOT follow another member out without scanning your card.

FAQ:

Why do I need to scan my card when the gate is already open?

The system is set to track each card when it enters or exits the range and save that information. A card is identified as either logged into the system (Entered the range) or logged out of the system (Exited the range) and will not allow a duplicate entry which will prevent your card from working the next time used. What that means electronically is that if you have either gone into or exited the range without swiping your card your personal ID number will remain in the last scanned state in the system.

I scanned my card to enter the range and it displayed the message “Passback Violation” and won’t work.

As previously said, the system is tracking the status of your card. This message is displayed when you are trying to scan into the system a second time, meaning the last time you left the range you did not scan your card out.

I made a mistake, and didn’t scan my card to get into the range, or it’s after open hours on the range, and I’m locked in.

You will need to contact one of the executive members of the club with the contact information provided in the Crack Shot.

I am bringing some guests to the range to shoot, and we are bringing multiple vehicles, how can we get in and out without the gate closing on us or getting someone locked in?

Make sure that all vehicles are lined up and ready to go, there is a sensor on the gate itself that triggers the countdown timer for the gate to close. Any time that it is triggered it will reset the closing timer. After the gate opens there is a generous window of time for each vehicle to make it through before the gate will begin to close.

We are leaving the range, but the gate is just sitting open.

The gate has a roughly 40 second timer before it starts to close after a vehicle has passed through the gate. It can feel like forever, but it will close on its own. Do not go back and scan your card repeatedly, that will just reset the timer over and over, as well as put your card into a logged in state, keeping it from working the next time you come to enjoy the range.

OUTDOOR RANGE NEWS

If you would like to reserve the Outdoor Range, please email Chuck @ cwarkcal54@gmail.com with your dates and times or submit a written request at any 4CRP meeting.

Make note of the installed orange safety line at the 300-yard range and the intermediate Cowboy range. **Do not shoot this orange line or anything above it.** Keep all bullets well below the range area.

Reminders:

- **Members must be present if their key is used at the outdoor range**, with the exception of Associate Members. Be prepared to show your 4CRP Membership card upon request.
- There are extra trash bags in the Target Shed; if the trash is full, please take it to the dumpster. Little things like this will help keep the Outdoor Range tidy and clean so all of us can enjoy it.

- **Shooters in the field need to be aware of their target and what is behind that target, i.e., can the bullet potentially ricochet into one of the other ranges or over the berm? You are responsible for the bullet once it leaves the muzzle of your gun until it stops. This includes ricochets!**
- ***Please, be aware of the cylinder and muzzle blasts on the sandbags which can cause holes to be burnt in the denim covering.***

Spring Pistol League is underway!

League shooting began on January 19 and will continue for 8 weeks until March 16th.

Shooters will be divided into Red Dot and Iron Sight categories and we also will have an Off the Chart category for new shooters, your choice. Each night everyone will shoot 30 rounds of center fire and 30 rounds of .22 rim fire at 3 targets in each category at a distance of 50 feet. Eye & ear protection is required for all shooters and visitors to the shooting range area. Weekly practice will be on Saturdays from 9:00 to 11:00 AM. Shooter fees will be \$25.00 for club members and \$40.00 for non-members payable at qualifying or first league night. There will also be a \$2.00 fee for targets at the practice sessions.

The League is really a lot of fun. If you want to improve your pistol shooting skills and compete against other shooters of a similar skill level, sign up with Roger Lawrence at 560-5070 or Don Cook 565-7875. See you there!

Fall Pistol League Results

The 2021 Fall Pistol League is in the books. We had a great time with some very competitive scores.

RED DOR TOP GUN - Roger Lawrence

IRON SIGHTS TOP GUN - Chuck Wark

DIVISION 1 - Jim Kingery

DIVISION 2 - Rodney Cox

DIVISION 3 - Bill Flesch

The Spring League is underway now. I want to thank everyone for their participation and help, especially Don Cook, Chuck Wark and John McHenry. We couldn't do it without you.

A suggestion was made about starting a new type of pistol shooting, Bowling Pins. I will do a little more research and get back to everyone with more information.

Thanks again, **Roger Lawrence**

Article X – Nomination and Election Procedures

1. Nomination of Candidates:

- a. The Club President will appoint a Nominating Committee in preparation for the coming election. The Nominating Committee will be comprised of three members, Chaired by a member of the existing Executive Committee, and including at least one Club member who is not currently on the Executive Committee.
- b. The purpose of the Nominating Committee is to prepare a list of eligible Active Regular members as nominees for the offices of President, Vice President, Secretary, Treasurer, Indoor Range Officer, Outdoor Range Officer, Junior Shooting Program Director, and three (3) Club Directors. These ten officers and directors comprise the Executive Committee of the Club.
- c. The December issue of the Crack Shot will include a Nominations form for the purpose of petitioning members to submit names of potential candidates for office. To be considered, the Nominations form must be returned to the Club Secretary prior to the January Regular Club Meeting.
- d. The Nominating Committee will review the submitted names and contact other members to solicit names of members interested in becoming a Candidate for office. The names of all members who have expressed interest in proceeding to an election will be presented at the Regular Club Meeting in January. At the January meeting, any additional names submitted will be included in the listing.
- e. Immediately following the January Regular meeting, a Mail-In Ballot will be prepared and will be included in the February issue of the Crack Shot. This Ballot will list each position of Club Office, and the name of members who are candidates for each office.

2. Rules for the Mail-In Ballot:

- a. If a Regular member wishes to vote by mail instead of in person at the Annual Meeting, the Mail-In Ballot must be returned to the Club Secretary prior to that meeting. **A MEMBER CAN ONLY VOTE ONCE: EITHER BY MAIL-IN BALLOT OR IN PERSON AT THE ANNUAL MEETING.**
- b. The following procedure must be followed for the Active Regular member's Mail-In Ballot to be verified and counted:
 - i. Using black or blue ink, the member must clearly mark each vote on the Mail-In Ballot that was included in the Crack Shot, or a facsimile thereof. The Ballot must not be signed; a signed Ballot will be invalidated.
 - ii. Insert only the Ballot in an envelope (not provided) and mail that envelope to the Club Secretary.
 - iii. Include a return address on the envelope clearly stating the member's name and mailing address. This information will be used to verify the member's vote. It is vital that the return address and name be clearly legible. Print the word "BALLOT" on the lower left hand front corner of the mailing envelope.
 - iv. Seal the envelope and sign across the sealed edge on the back of the mailing envelope. A member's signature on the envelope flap is required to validate the ballot contained in the envelope.
- c. The envelopes will be received by the Club Secretary, will not be opened by the Secretary, and will be delivered unopened to the Election Judge at the Annual Meeting.

3. Election Night Voting Procedure:

- a. First, there shall be a Quorum Call, with an attendance sheet signed by all attendees and mail-in voting members also duly recorded. Provided that a quorum is present, the Voting Procedure will continue.
- b. The President shall appoint a three person Election Committee responsible to conduct the proceedings of the Election of Officers during the Annual meeting. The Committee shall be Chaired by a member of the Nominating Committee and include an Election Judge and a Poll Watcher who are Regular members. The duties of the three Committee members shall be:
 - i. The Chair shall act as moderator for the business of the Election, and shall record each vote count and tally in a manner visible to all members in attendance, and shall formally announce the results of each vote.
 - ii. The Judge shall receive the ballots, including those mailed in or handed in at the meeting.
 - iii. The Poll Watcher shall assist in the handling of the ballots, and oversee their disposition to further assure a fair election.

Article X—Nomination and Election Procedures (cont.)

- c. Before opening any ballots or beginning the voting process, members who did submit a Mail-In ballot and who are in attendance at the meeting will be given the option of withdrawing their Mail-In ballot and thereby vote in person.
- d. With the help of the Club Secretary, using the current Club membership list, the Judge will verify that the return address of each mailed in ballot is legitimately that of a Club member.
- e. At the appropriate time, the Judge will open the ballots, whether mailed in or handed in at the meeting, and announce each vote, which will be duly recorded in a visible manner to those present
- f. There will be pre-printed ballots available election night. Each Candidate previously identified and vetted by the Nomination Committee will be shown on the pre-printed ballot.
- g. Voting by proxy will not be allowed.
- h. Members in attendance can submit additional nominations, including late mail-ins. Provided that the nominee does attest a willingness to serve if elected, the nominee's name will be visibly recorded and may be added to the ballot as a write-in candidate as any member may desire.
- i. Before voting commences, each candidate will have the opportunity to make a brief "campaign speech", extolling their qualifications and willingness to serve.
- j. Voting will be by secret ballot, unless there is only one candidate for a specific office in which case a voice vote of acclamation will be called, provided there is no objection from the electorate.
- k. The order of voting will begin with the office of President, then Vice President, Secretary, Treasurer, Indoor Range Officer, Outdoor Range Officer, Junior Shooting Program Director, and finally three (3) Club Directors.
