4CRP Mission Statement

- To be a non-profit community organization in the promotion and preservation of the gun ownership and usage rights of the U.S. Constitution and Section 13 of Article II of the Colorado Constitution.
- To always emphasize safety first
- To provide and maintain range facilities for shooting members of the Club and their guests
- To support all legal activities—hunting, practice and competitive shooting, and defense of self, home and community
- To provide facilities, certified firearm education, and charitable contributions to Club members, the local community, youth organizations, and law enforcement.

President's Message

The Four Corners Rifle and Pistol Club is 58 years old and has been run by great volunteers who secured this club, who taught the youth and adults to enjoy the skills of safe and accurate shooting, and who cared for the ranges required for training and practice. In the last ten years, our club has nearly doubled in size. Our Outdoor Range has adequate room for instruction, and we have a great Indoor Pistol Range for our adult leagues and youth programs. We have a few openings to assist the Range Directors in keeping our ranges clean and tackling range improvements. Some of the Outdoor Range activities include:

Every fall, we sponsor a Hunter Sight In for all who want to prepare for big game seasons. We have two cowboy action activities. If you want information on them, call us or drop by our monthly club meeting – the last Tuesday of each month except December. We also have three gun shoots, sucker shoots, rimfire bench-rest, centerfire bench-rest. We are now adding a small area for shotgun shooters at the Outdoor Range. This area is for stationary targets ONLY. We will have signs indicating the location and activities allowed at this range. Please read them and obey the rules, as we hope to keep making this option available to our members. Your Second Amendment says the right of the people to Keep and Bear arms shall not be infringed. Let's obey the laws and shoot safely! For more information, call Mike Upchurch at 970-508-3268.

Don't forget the Gun Show in April! It looks to be the biggest Gun Show EVER!

ELECTRONIC GATE FAQ

The new electronic gate has gone live and aside from working out small kinks in the system, is working as intended. In an attempt to get ahead of any confusion or possible issues caused by user error we offer the following simple step-by-step guide for operation of the electronic gate and proper use of your access cards. Please, remember that this system has been put in place to make the outdoor range a safer place for the members, and not with any intention of making things difficult for anyone.

Entering the Range: Upon arrival at the outdoor range, stop and scan your card at the reader even if the gate is currently locked in the open position. Make certain that when you scan the card you get a green light, and the readout indicates “Access Granted”.

Exiting the Range: Scan your card at the exit reader, wait for the gate to open, then drive out. DO NOT follow another member out without scanning your card.

FAQ:

Why do I need to scan my card when the gate is already open?

The system is set to track each card when it enters or exits the range and save that information. A card is identified as either logged into the system (Entered the range) or logged out of the system (Exited the range) and will not allow a duplicate entry which will prevent your card from working the next time used. What that means electronically is that if you have either gone into or exited the range without swiping your card your personal ID number will remain in the last scanned state in the system.

I scanned my card to enter the range and it displayed the message “Passback Violation” and won’t work.

As previously said, the system is tracking the status of your card. This message is displayed when you are trying to scan into the system a second time, meaning the last time you left the range you did not scan your card out.

I made a mistake, and didn’t scan my card to get into the range, or it’s after open hours on the range, and I’m locked in.

You will need to contact one of the executive members of the club with the contact information provided in the Crack Shot.

I am bringing some guests to the range to shoot, and we are bringing multiple vehicles, how can we get in and out without the gate closing on us or getting someone locked in?

Make sure that all vehicles are lined up and ready to go, there is a sensor on the gate itself that triggers the countdown timer for the gate to close. Any time that it is triggered it will reset the closing timer. After the gate opens there is a generous window of time for each vehicle to make it through before the gate will begin to close.

We are leaving the range, but the gate is just sitting open.

The gate has a roughly 40 second timer before it starts to close after a vehicle has passed through the gate. It can feel like forever, but it will close on its own. Do not go back and scan your card repeatedly, that will just reset the timer over and over, as well as put your card into a logged in state, keeping it from working the next time you come to enjoy the range.

OUTDOOR RANGE NEWS

If you would like to reserve the Outdoor Range, please email Mike @ marinevet66@hotmail.com with your dates and times or submit a written request at any 4CRP meeting.

Make note of the installed orange safety line at the 300-yard range and the intermediate Cowboy range. **Do not shoot this orange line or anything above it.** Keep all bullets well below the range area.

Reminders:

- **Members must be present if their key is used at the outdoor range**, with the exception of Associate Members. Be prepared to show your 4CRP Membership card upon request.
- There are extra trash bags in the Target Shed; if the trash is full, please take it to the dumpster. Little things like this will help keep the Outdoor Range tidy and clean so all of us can enjoy it.

- **Shooters in the field need to be aware of their target and what is behind that target, i.e., can the bullet potentially ricochet into one of the other ranges or over the berm? You are responsible for the bullet once it leaves the muzzle of your gun until it stops. This includes ricochets!**
- ***Please, be aware of the cylinder and muzzle blasts on the sandbags which can cause holes to be burnt in the denim covering.***

Reminder!! Safety First!!

- **Never Point your Gun at Anything you do not want to destroy**
- **Keep your finger off the trigger until your sights are on target**
- Communicate with fellow shooters and get to know other club members
- Be Welcoming! We have a lot of new shooters—this is AWESOME!! Offer to lend a hand and make a new friend!
- Be aware of your muzzle, and make sure it is ALWAYS pointed in a safe direction.
- The range is a communal place for members of all shooting experience. Be Safe and Be Polite—If you see someone handling their firearm carelessly, please let them know. Please do not be offended if someone shares something that they see. This is how we grow a safe and welcoming community.

INDOOR RANGE NEWS

INDOOR RANGE REMINDER

Please help to keep the facility clean and well maintained. After you finish shooting, check for trash and casings. Let me know when bathroom (or other supplies) are running low, and if you observe any problems/issues in the building. When you leave, be sure the door is secured and locked.

Charles Thompson, Indoor Range Officer, 970-739-0518

From Charles W Thompson, indoor range manager:

I want to express a special thank you to the several members who use the indoor range and who take good care of it. Jeff and his crew did a fantastic job reconstructing the backstop, building the broom racks on either side and generally sprucing up the range area. Roger and the pistol league, Anita and Brandi, the women shooters, Norm and his crew, and the junior shooters are all doing an excellent job.

You all will notice that there are now water heaters in both bathrooms. This water will not get hot, but it does convert it from iceberg cold to a pleasant wash. It is a good idea to always wash your hands after shooting a firearm, especially a pistol.

This is a reminder to all shooters in the indoor range to do their best to keep all shots on target within the boundaries of the wooden borders. We are getting too many shots going through those wooden borders, which eventually will require their replacement.

This indoor range does not allow any Magnum pistol calibers, including 22 WMR, 17 HMR, 454 Casull, and 500 S&W.

Finally, remember to abide by the Four Safety rules of handling a firearm:

- Always assume a firearm is loaded.
- Never point the gun at anything you do not want to destroy.
- Always keep your gun pointed in a safe direction and your finger OFF the trigger until you are ready to shoot.
- Always be sure of your target and what is beyond your target.

Following these rules Will always result in a good shooting experience and avoiding a tragedy.

Happy shooting, everybody!

Article X – Nomination and Election Procedures

1. Nomination of Candidates:

- a. The Club President will appoint a Nominating Committee in preparation for the coming election. The Nominating Committee will be comprised of three members, Chaired by a member of the existing Executive Committee, and including at least one Club member who is not currently on the Executive Committee.
- b. The purpose of the Nominating Committee is to prepare a list of eligible Active Regular members as nominees for the offices of President, Vice President, Secretary, Treasurer, Indoor Range Officer, Outdoor Range Officer, Junior Shooting Program Director, and three (3) Club Directors. These ten officers and directors comprise the Executive Committee of the Club.
- c. The December/January issue of the *Crack Shot* will include a Nominations form for the purpose of petitioning members to submit names of potential candidates for office. To be considered, the Nominations form must be returned to the Club Secretary prior to the January Regular Club Meeting.
- d. The Nominating Committee will review the submitted names and contact other members to solicit names of members interested in becoming a Candidate for office. The names of all members who have expressed interest in proceeding to an election will be presented at the Regular Club Meeting in January. At the January meeting, any additional names submitted will be included in the listing.
- e. Immediately following the January Regular meeting, a Mail-In Ballot will be prepared and will be included in the February/March issue of the *Crack Shot*. This Ballot will list each position of Club Office, and the name of members who are candidates for each office.

2. Rules for the Mail-In Ballot:

- a. If a Regular member wishes to vote by mail instead of in person at the Annual Meeting, the Mail-In Ballot must be returned to the Club Secretary prior to that meeting.

A MEMBER CAN ONLY VOTE ONCE:

EITHER BY MAIL-IN BALLOT; OR, IN PERSON AT THE ANNUAL MEETING

- b. The following procedure must be followed for the Active Regular member's Mail-In Ballot to be verified and counted:
 - i. Using black or blue ink, the member must clearly mark each vote on the Mail-In Ballot that was included in the *Crack Shot*, or a facsimile thereof. The Ballot must not be signed; a signed Ballot will be invalidated.
 - ii. Insert only the Ballot in an envelope (not provided) and mail that envelope to the Club Secretary.
 - iii. Include a return address on the envelope clearly stating the member's name and mailing address. This information will be used to verify the member's vote. It is vital that the return address and name be clearly legible. Print the word "BALLOT" on the lower left hand front corner of the mailing envelope.
 - iv. Seal the envelope and sign across the sealed edge on the back of the mailing envelope. A member's signature on the envelope flap is required to validate the ballot contained in the envelope.
- c. The envelopes will be received by the Club Secretary, will **not** be opened by the Secretary, and will be delivered **unopened** to the Election Judge at the Annual Meeting.

3. Election Night Voting Procedure:

- a. First, there shall be a Quorum Call, with an attendance sheet signed by all attendees and mail-in voting members also duly recorded. Provided that a quorum is present, the Voting Procedure will continue.
- b. The President shall appoint a three person Election Committee responsible to conduct the proceedings of the Election of Officers during the Annual meeting. The Committee shall be Chaired by a member of the

- b. Nominating Committee and include an Election Judge and a Poll Watcher who are Regular members. The duties of the three Committee members shall be:
 - i. The Chair shall act as moderator for the business of the Election, and shall record each vote count and tally in a manner visible to all members in attendance, and shall formally announce the results of each vote.
 - ii. The Judge shall receive the ballots, including those mailed in or handed in at the meeting.
 - iii. The Poll Watcher shall assist in the handling of the ballots, and oversee their disposition to further assure a fair election.
- c. Before opening any ballots or beginning the voting process, Members who did submit a Mail-In ballot and who are in attendance at the meeting will be given the option of withdrawing their Mail-In ballot and thereby vote in person.
- d. With the help of the Club Secretary, using the current Club membership list, the Judge will verify that the return address of each mailed in ballot is legitimately that of a Club Member.
- e. At the appropriate time, the Judge will open the ballots, whether mailed in or handed in at the meeting, and announce each vote, which will be duly recorded in a visible manner to those present
- f. There will be pre-printed ballots available election night. Each Candidate previously identified and vetted by the Nomination Committee will be shown on the pre-printed ballot.
- g. Voting by proxy will not be allowed.
- h. Members in attendance can submit additional nominations, including late mail-ins. Provided that the nominee does attest a willingness to serve if elected, the nominee's name will be visibly recorded and may be added to the ballot as a write-in candidate as any Member may desire.
- i. Before voting commences, each candidate will have the opportunity to make a brief "campaign speech", extolling their qualifications and willingness to serve.
- j. Voting will be by secret ballot, unless there is only one candidate for a specific office in which case a voice vote of acclamation will be called, provided there is no objection from the electorate.
- k. The order of voting will begin with the office of President, then Vice President, Secretary, Treasurer, Indoor Range Officer, Outdoor Range Officer, Junior Shooting Program Director, and finally three (3) Club Directors.
 - i. For each position, except Club Directors, the vote will be one vote for one candidate until a winner is decided by majority vote.
 - ii. If there is no winner by majority vote on the first ballot, the top two candidates will be immediately entered into a runoff election. Mail-in ballots will be counted in the runoff as in the initial vote.
 - iii. If the runoff vote ends in a tie, the winner will be decided by coin toss, either "heads-or-tails" or "odd man out". The coin will be handled by the Election Judge.
- l. For election of the three (3) Club Directors, members may vote for three candidates on the ballot. The top three vote getters will be named as winners provided that each has a majority vote. Otherwise, a runoff election with tie-breaking coin toss will be used until each of the elected has a majority vote.
- m. If there is no candidate put forward for an office, then as herein defined the incumbent office holder shall continue to hold office until a successor is elected or appointed by the Executive Committee.
