### **President's Message**

As members of the Four Corners Rifle and Pistol Club, we are fortunate to have an outdoor range that offers us and our families the opportunity to practice and enjoy shooting at various distances, from 100 to 500 yards. This range also includes a pistol range and a 22. caliber range, enhancing our shooting experience.

Our club has recently installed cameras to monitor the range and ensure the safety of our equipment. It's important to remember that our buildings, target frames, and structures are valuable assets. Any damage to these could result in additional work and expenses for the club.

As a club, we are committed to maintaining a clean and safe range for all our members. We urge you to follow the rules and guidelines for both our outdoor and indoor ranges. On behalf of our board members, we wish you and your families a Merry Christmas and a Happy New Year. Remember, if you notice anything unusual, please report it using the phone number posted at the entry gate.

Yours Truly,  
Mike Upchurch  
President, Four Corners Rifle & Pistol Club.

**\*So why does 4CRP require 100% of its members to be current NRA members? Here are just some of the reasons:**

- ◇ As a 100% NRA Club, our Jr. Shooting Team can participate in official tournaments
- ◇ Our Club is eligible for thousands of dollars in NRA grants for our Junior Shooters, Women's activities and to help develop and improve our ranges.
- ◇ NRA provides affordable insurance for our Club including coverage for special events

### **Membership Renewal Reminder:**

***To avoid interruption in your Outdoor Range access,  
remember to renew at least 2 weeks in advance of your expiration date!!!***

Kill two birds with one stone!! Club Secretary Evan Bronson will be at the Monthly meeting at 5:30 to allow people to renew memberships early. He will also be giving the Safety orientation at that time as well, so if you have not been able to make it to one of the safety orientations at the Outdoor Range, this is the perfect time to do so.

## ***ELECTRONIC GATE FAQ***

The new electronic gate has gone live and aside from working out small kinks in the system, is working as intended. In an attempt to get ahead of any confusion or possible issues caused by user error we offer the following simple step-by-step guide for operation of the electronic gate and proper use of your access cards. Please, remember that this system has been put in place to make the outdoor range a safer place for the members, and not with any intention of making things difficult for anyone.

**Entering the Range:** Upon arrival at the outdoor range, stop and scan your card at the reader even if the gate is currently locked in the open position. Make certain that when you scan the card you get a green light, and the readout indicates “Access Granted”.

**Exiting the Range:** Scan your card at the exit reader, wait for the gate to open, then drive out. DO NOT follow another member out without scanning your card.

### **FAQ:**

#### ***Why do I need to scan my card when the gate is already open?***

The system is set to track each card when it enters or exits the range and save that information. A card is identified as either logged into the system (Entered the range) or logged out of the system (Exited the range) and will not allow a duplicate entry which will prevent your card from working the next time used. What that means electronically is that if you have either gone into or exited the range without swiping your card your personal ID number will remain in the last scanned state in the system.

#### ***I scanned my card to enter the range and it displayed the message “Passback Violation” and won’t work.***

As previously said, the system is tracking the status of your card. This message is displayed when you are trying to scan into the system a second time, meaning the last time you left the range you did not scan your card out.

#### ***I made a mistake, and didn’t scan my card to get into the range, or it’s after open hours on the range, and I’m locked in.***

You will need to contact one of the executive members of the club with the contact information provided in the Crack Shot.

#### ***I am bringing some guests to the range to shoot, and we are bringing multiple vehicles, how can we get in and out without the gate closing on us or getting someone locked in?***

Make sure that all vehicles are lined up and ready to go, there is a sensor on the gate itself that triggers the countdown timer for the gate to close. Any time that it is triggered it will reset the closing timer. After the gate opens there is a generous window of time for each vehicle to make it through before the gate will begin to close.

#### ***We are leaving the range, but the gate is just sitting open.***

The gate has a roughly 40 second timer before it starts to close after a vehicle has passed through the gate. It can feel like forever, but it will close on its own. Do not go back and scan your card repeatedly, that will just reset the timer over and over, as well as put your card into a logged in state, keeping it from working the next time you come to enjoy the range.

## **OUTDOOR RANGE NEWS**

**If you would like to reserve a portion of the Outdoor Range, please call Bobby Cowan @ 970-529-6048 with your dates and times or submit a written request at any 4CRP meeting.**

Make note of the installed orange safety line at the 300-yard range and the intermediate Cowboy range. **Do not shoot this orange line or anything above it.** Keep all bullets well below the range area.

### **Reminders:**

- **Members must be present if their key is used at the outdoor range**, with the exception of Associate Members. Be prepared to show your 4CRP Membership card upon request.
- There are extra trash bags in the Target Shed; if the trash is full, please take it to the dumpster. Little things like this will help keep the Outdoor Range tidy and clean so all of us can enjoy it.

- **Shooters in the field need to be aware of their target and what is behind that target, i.e., can the bullet potentially ricochet into one of the other ranges or over the berm? You are responsible for the bullet once it leaves the muzzle of your gun until it stops. This includes ricochets!**
- ***Please, be aware of the cylinder and muzzle blasts on the sandbags which can cause holes to be burnt in the denim covering.***

Bobby Cowan, Outdoor Range Officer, 970-529-6048

### **Four Corners Women at the Range**

Sign-ups have already started for our 11th annual Women at the Range Instructional Shooting Clinic. Held June 7, 2025 - Outdoor Range - cost \$45.00 for a full day of training and supervised / directed shooting .22 rifles and pistols. (We provide firearms, targets, and even lunch.) The Clinic fills several months in advance, so please contact Anita Mayhew [mayhewanita@gmail.com](mailto:mayhewanita@gmail.com) 970-903-5120 soon if you are interested.

### **Hunter Sight In - 2024 Results**

This year, we were fortunate to have 9 outstanding volunteers: John Martz, Mark Jones, Brent Powell, Bobby Cowan, Mike Upchurch, Jon Lett, Joe Butterfield, Dale Donohue, and Mic McPherson. These RSOs, with their dedication and expertise, assisted all the hunters, some of whom had several issues with their rifles. The hunters who don't shoot regularly often have other problems. Safety, the number one priority on the range, exposes many to good practices. Their efforts have made a significant impact on the shooters, and we couldn't be more proud of their contributions.

For the 1st Rifle Season, 22 hunters were sighted in with 30 rifles. However, for the 2nd Rifle Season, we had 57 hunters who sighted 63 rifles. We sold 3 hats and had 3 pumpkin shooters. So, the club's first two rifle seasons took in \$1030 for Jr. Shooters.

November 8th was the last sight in for the 3rd Rifle season. We had 5 volunteers, which included RSOs assisting hunters, several of which had issues with their rifles. Mic McPherson was competent in rectifying these, much to the appreciation of the hunters. Two hunters from the East Coast gave \$510 in appreciation of the 4CRPC Hunter Sight In Program.

So, for the 3rd Rifle Season, we had 14 hunters sighting in 19 rifles, sold 2 hats, and no pumpkins. The 3rd Rifle Season raised \$210 from hunters and another \$710 in donations for Jr. Shooters, a total of \$920.

The total raised for Jr. Shooters was an impressive \$1,950. This success is a testament to the hard work and dedication of our volunteers. A big shout-out to all those volunteers who made these very successful events possible.

Ron Serabia  
Vice President  
Four Corners Rifle and Pistol Club

## **INDOOR RANGE NEWS**

### **INDOOR RANGE REMINDER**

Please help to keep the facility clean and well maintained. After you finish shooting, check for trash and casings. Let me know when bathroom (or other supplies) are running low, and if you observe any problems/issues in the building. When you leave, be sure the door is secured and locked.

Charles Thompson, Indoor Range Officer, 970-739-0518

### **FALL PISTOL LEAGUE**

Attention all you pistol shooters, the **Four Corners Rifle & Pistol Club's** Fall Bulls Eye Pistol League schedule has been announced. Two practice sessions will be before Qualification Night on Wednesday, November 20th, from 3:00 PM until 7:00 PM. Shooters may also use last year's ending league score average instead of qualifying; it's the shooter's choice. League shooting will begin on November 27th and continue for 10 weeks until February 19th. This year, Christmas and New Year are on Wednesdays; we will not shoot those nights.

Shooters will be divided into red dot and iron sight categories, and we will also have an Off-the-chart category for new shooters. You choose. Each night, everyone will shoot 30 rounds of center fire and 30 rounds of .22 rim fire on 3 targets in each category at 50 feet. Eye & ear protection is required for all shooters and guests. Weekly practice will be on Saturdays from 9:00 to 11:00AM. Shooter fees will be \$25.00 for club members and \$40.00 for non-members, payable at qualifying or first league night. There will also be a \$2.00 fee for targets used in the practice sessions. The range will be open for practice on Wednesday, November 13th, Saturday, November 16th, and all Saturdays during League shooting.

The League is not just about competition but also camaraderie and fun. If you want to improve your pistol shooting skills and enjoy the company of other shooters of a similar skill level, call **Roger Lawrence at 970-560-5070** or **Don Cook at 970-565-7875**. See you there!

#### **FALL LEAGUE SCHEDULE**

**PRACTICES:** November 13, 16, 23; December 7, 14, 21, 28;

## **4 Corners Rifle and Pistol Club News Update - PLEASE READ!**

### 4CRPC Outdoor Range Lease Negotiations - Colorado State Land Board

This is the latest news on our 4CRPC Outdoor Range Lease that renews on September 1st, 2025. A committee made up of the Vice President (Ron), Treasure (Anita), and Membership Secretary (Evan) has been diligently meeting via Video Call with the Colorado State Land Board regarding our 10-year lease renewal. Our proactive approach to these negotiations is a testament to our commitment to the club's future.

Effectively, the new state land lease of 10 years will increase from \$820 annually to \$2,500 years One to Three, then \$3,350 year Four, and \$4,200 year Five. From then on, the new lease rate for years Five through Ten will be \$5,000 annually. Additionally, this state lease requires the 4CRPC to comply with an Environmental Stewardship Plan.

As part of our commitment to environmental stewardship, we've contacted MT2 (mt2.com), an EPA-certified ecological company based in Arvada, CO., which compiles these plans for shooting ranges. This is one component of a Lead Management Plan, in which 4CRPC has signed an Environmental Stewardship Plan proposal with MT2 for a \$7,500 fee as a Living Document. We have already received a \$5,000 Grant from the NRA to support this 4CRPC Environmental Stewardship Plan, a testament to our dedication to responsible range management.

The MT2 Outdoor Range project total estimate is \$40,000 for Lead Reclamation as per the quote. These costs may vary due to inflation. Also, \$4,000 for water is required for range dirt processing, as estimated by the local vendor with Rain for Rent storage. So, when you add in the \$7,500 Environmental Stewardship Plan, our estimated initial cost this coming year is \$51,500. Also, a new Performance Bond of an unknown amount will be negotiated with the state for this Outdoor Range lease term.

As a non-profit club with nearly 500 members, the 4CRPC board anticipates the new 10-year lease will incur additional costs and fees. With our current income levels, we foresee a necessary increase in Annual Membership Dues to meet these financial obligations in the coming years. We value transparency and open communication within our club. Therefore, we strongly encourage all 4CRPC members and guests to attend our monthly meetings, which are held on the last Tuesday of every month at 6:30pm in our Indoor Range at 1545 Lebanon Rd, Cortez. These meetings provide an opportunity to discuss important issues, including those mentioned in this update and other 4CRPC business.

Sincerely, Ron Serabia - VP
